

For use with Sigma 105

Small and lightweight printer

Prints auditable receipts

Cashmaster *printer three*

The Cashmaster Printer Three * for the Sigma 105

To make use of your Sigma 105, why not link it up with a Cashmaster Printer Three?

Use inkless (thermal) printer to create a printed record of cash-counting data quickly and effortlessly.

Save time and money at the bank by reducing any charges for counting your cash. You can have your cash counted and logged before going to the bank.

The Cashmaster Printer Three inkless printer is small and light. It also uses no complex connection procedure, so all you have to do is plug it in, press the print button on your Sigma 105 and watch the full print out of your till count appear in seconds!

*Formerly CP3 Printer
